As momentum for Colorado's new quality rating, Colorado Shines, continues to build we want to keep you informed. On Wednesday, April 1, Qualistar will begin phasing out the promotion of the Qualistar Rating™ on our website and in materials. This includes removing features from the website that you may have used to promote your Rating to prospective families and resources you may have accessed to support your Rating journey. As of April 1, changes to the website will include;

Removal of Qualistar Rating badges.

Removal of information specific to the Qualistar Rating.

In addition, we want to encourage you to begin transitioning any materials you use to promote the Qualistar Rating to reflect Colorado Shines. For example;

Please remove and recycle promotional banners that say "Qualistar Rating." Banners that say "Quality Rated" can remain in place.

Update or remove any signage or other materials that talk about the Qualistar Rating.

Your current Rating information will be integrated into Colorado Shines. [Visit the Colorado Shines website to search for your rating.](#) If you have questions regarding your Colorado Shines information please email cdhs_coshines@state.co.us or call (844) 447-4441.

We are committed to helping make this transition as smooth as possible. Please feel free to reach out to us with any questions or concerns you have by emailing ratings@qualistar.org or calling (303) 339-6800.

Sincerely,

Kathryn Harris
President and CEO
